Everyone in an office has routines, don't they? Get in, shag the secretary, make some coffee, read the paper, shag the secretary, go to lunch, that sort of thing.

Well part of the routine at the newly-redecorated Club HQ (a slightly nasty shade of magnolia, since you ask) is to nip round to Bruno's sandwich bar and laundry extraordinary for a couple of rounds of chip and satay sarnies by way of elevenses. Just the other Wednesday we were in there, pondering on whether to snap up a gefiltefish

pizza on the side, when we turn and notice a familiar face sitting at the booth opposite the massage parlour. It's Kylie Minogue.

IT'S KYLIE MINOGUE!!!!

She was sitting there looking stunning and tucking into an omelette with chips on the side, gabbling away to some horrible spotty herbert who we all instantly hated. What a woman. *What* a woman.

Of course, we're used to having celebs banging on the door hoping to be admitted to the Club HQ — Henry Kissinger, Axl Rose and John Major are all frequent visitors — but to be in the presence of a demi-goddess like Kylie put even the cynical Club crowd off their stroke.

For the record, she had a tight blue t-shirt on, but you had to go outside and look through the window to see that she was also wearing a very short mini-skirt which sometimes rode up almost high enough for you to imagine you could see a hint of some virginal white lacy knickers underneath. Not that we're low enough to do that sort of thing, of course. Wouldn't cross our minds. Just thought we'd mention it.

Looking back, though, I don't know why we were so excited. What good's some flat-chested bint with a squeaky voice when you've got girls like Anita, Kelly and Nadine sitting in the model cupboard just waiting for Jack Harrison and Scott Evans to pull them out and ask them to do very rude things?

No, give me Nerys Hughes waltzing around Soho wearing a skintight lycra catsuit any day — now that would be something to get excited about... ♣

Lusting After Libby

As a regular reader of Club I thought I'd seen girls as sexy as they come. But Libby (Vol 21 No 2) blew me away.

When I saw the photos I did something that I've not done since I was a young lad; I cut the photos out and stuck them around my bedroom! So, Club, I hope you're going to keep your number one reader happy by publishing some more photo sets of luscious Libby soon. Please?! — *Paul, Berkhamstead*

Right, where did we put that phone number? Err...

Three's Company

I'm currently serving in the Royal Navy, and was lucky enough to be stationed near a big coastal town for my 21st birthday last month. I was celebrating in a nightclub when I spotted a couple of waitresses I recognised from the local pizza place, and offered to buy them a drink.

Tracey, a cute blonde with a gorgeous body, pulled me onto the dancefloor and started rubbing herself up against my crotch as we moved together. Then I felt somebody close behind me squeeze my arse — it was Amy, the brunette.

"We hear it's your 21st today," she whispered. "Well, Amy and I have a surprise for you — how do you fancy a threesome?" I thought she was joking, but when the club closed the girls took me back to their flat and offered me a massage.

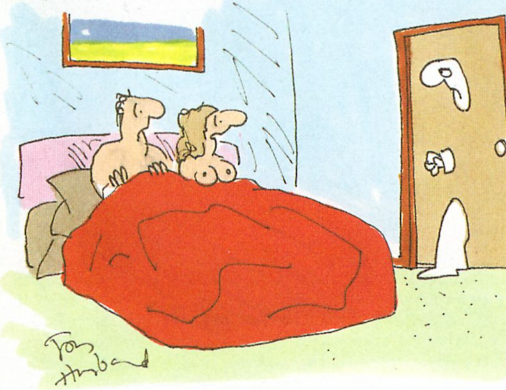
Amy stripped off my shirt and started to rub me, while Tracey whipped out my cock and started licking up and down the length. "Hey, don't hog it all!" Amy told her, and the two of them took turns sucking me off. I couldn't believe I was getting the full attention of two horny girls at the same time!

Then Tracey took my cock deep into her throat, while Amy got behind her and started licking her pussy. I've always fantasized about watching two girls together, and combined with Tracey's enthusiastic cocksucking, it sent my dick into overdrive!

I really wanted to fuck them both, so I was in sheer heaven when Tracey mounted my cock and squeezed it tight inside her, while Amy climbed on my face so I could lick her juicy cunt. She was soon creaming in ecstasy, and I had to concentrate hard not to blow my load into Tracey's box.

Amy lay on her back so I could take my turn fucking her, while Tracey straddled her face to get licked. I was thrusting deep inside Amy, and as she started to come I couldn't hold out any longer. I pulled my cock out and sprayed my spunk all over the two girls. They even licked it off each other!

I got back to base just in time to make roll call. God, what a grin I wore as I stood ready for inspection — with pussy juice all over my face! — *Gunner, Lancashire*



"Oh no! It's the ghost of my late husband!"

Sex-Crazy Student

I am a 21-year-old college student with an unbelievable appetite for horny oriental girls — especially when they've got terrific taut bums. As luck would have it, my college lecturer is Korean, and she has a nice round arse and pert tits. I've had the hots for her for ages, and I thought she was giving me the eye in our seminars, but I couldn't be sure.

This had been going on for months, and I couldn't stand it any longer: it seemed like I'd never find out how she felt unless I made a move. One day I'd promised to deliver an essay by 7pm, and of course, I left it to the last moment. As I approached her office along the deserted corridors, I knew I'd never have a better chance and decided to go for it.

I found her sitting behind her desk, with the office in near-darkness. "Ah, here you are at last, I've been waiting for you," she said. "Shut the door and come here." As soon as I did as she asked, she switched on her desk lamp. It was a staggering sight; her skirt was pulled up round her waist, her knickers were down around her knees and her hand was playing with her hairless pussy.

She had some nerve. She could see I was gobsmacked, but she just smiled and closed her eyes, then played with herself some more, pulling her lips apart so I could see how wet her cunt was inside. She started to moan as her fingers moved quicker and quicker. I could see them gleaming with her juice as she raised them to her mouth to lick them. You'd better believe my prick was straining against my jeans as I watched!

She was panting as she opened her eyes and said, "You've been watching me for ages — don't you want to do more than watch now?" That was it. My strides were off in a second and I pulled her up to kiss me. She grabbed my cock and stroked it, then whispered in my ear:

Dear Antonia,

You looked so horny in your photoset in Vol 21 No 2. When I first saw your photographs I felt my cock harden and my balls start to tingle. I made up a fantasy about you and I thought that you might like to hear it.

I'm driving along an empty country road, and as I round a corner I see you sitting by the side of the road, your bicycle beside you with a flat tyre.

Of course, being the perfect gentleman I stop and offer to help you mend it. You're only wearing a skimpy tee-shirt and a pair of tight cycling shorts and I find it hard to keep my eyes off you. I bend down to have a look at your wheel, and when I turn around I can hardly believe my eyes. You're leaning back against the bonnet of my car, your shorts down around your ankles. Your pussy is naked, and you're running a slim finger along your wet fanny lips.

You then move towards me and kneel down in front of me, taking my cock into your mouth and plunging your lips down its shaft. You take my dick out of your mouth and begin to lick it all over. I can feel myself coming now, and you suck me even harder, milking my cock of every last drop.

Antonia, this is my ultimate fantasy, how does it sound to you? — *Richard, Manchester*

Well, Richard, that sounds like the way I like to behave in my fantasies! But you missed out on the best part. That's when we get into the back of your car, and we spread ourselves over the seats. You'd run your tongue along my slit to my clitty, which you'd lick hard until an orgasm exploded inside me. Then we'd head back to your place for a repeat performance! — Antonia ♣

"Please lick me and make me come. And then I want you to fuck me – fuck me hard!"

She clambered up onto her desk, her bum high in the air so I could feast my eyes on her moist pussy. I began to give her the tongue lashing of her life, savouring the taste of her cunt, and a couple of firm thrusts had her coming after the feverish finger-fucking she'd just given herself.

I turned her over so I could push my meat right into her, pumping her hard, just as she'd asked. She wrapped her legs around my back to pull me harder into her, and we fucked like animals. I was all ready to fill her cunt up with my spunk, but she pulled my prick out and got me to stand in front of her.

"I love sucking cock when it's covered in my pussy juice," she moaned as she took my length into her mouth and started sucking furiously. I noticed she was busy shoving three fingers into her cunt as she sucked me off. As she brought herself off again she pulled my cock from her mouth and wanked me off so I shot my load all over her tits.

It was only later — much later! — that we realised my spunk had soaked not only her boobs and stomach, but also the papers she was marking on her desk. I wonder what the other students will make of that! — *Peter, London*

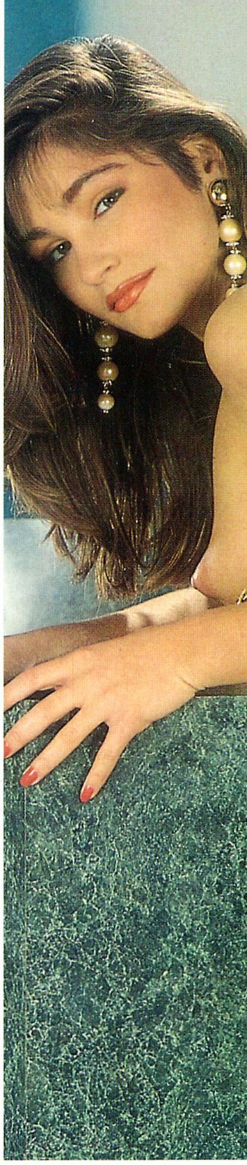
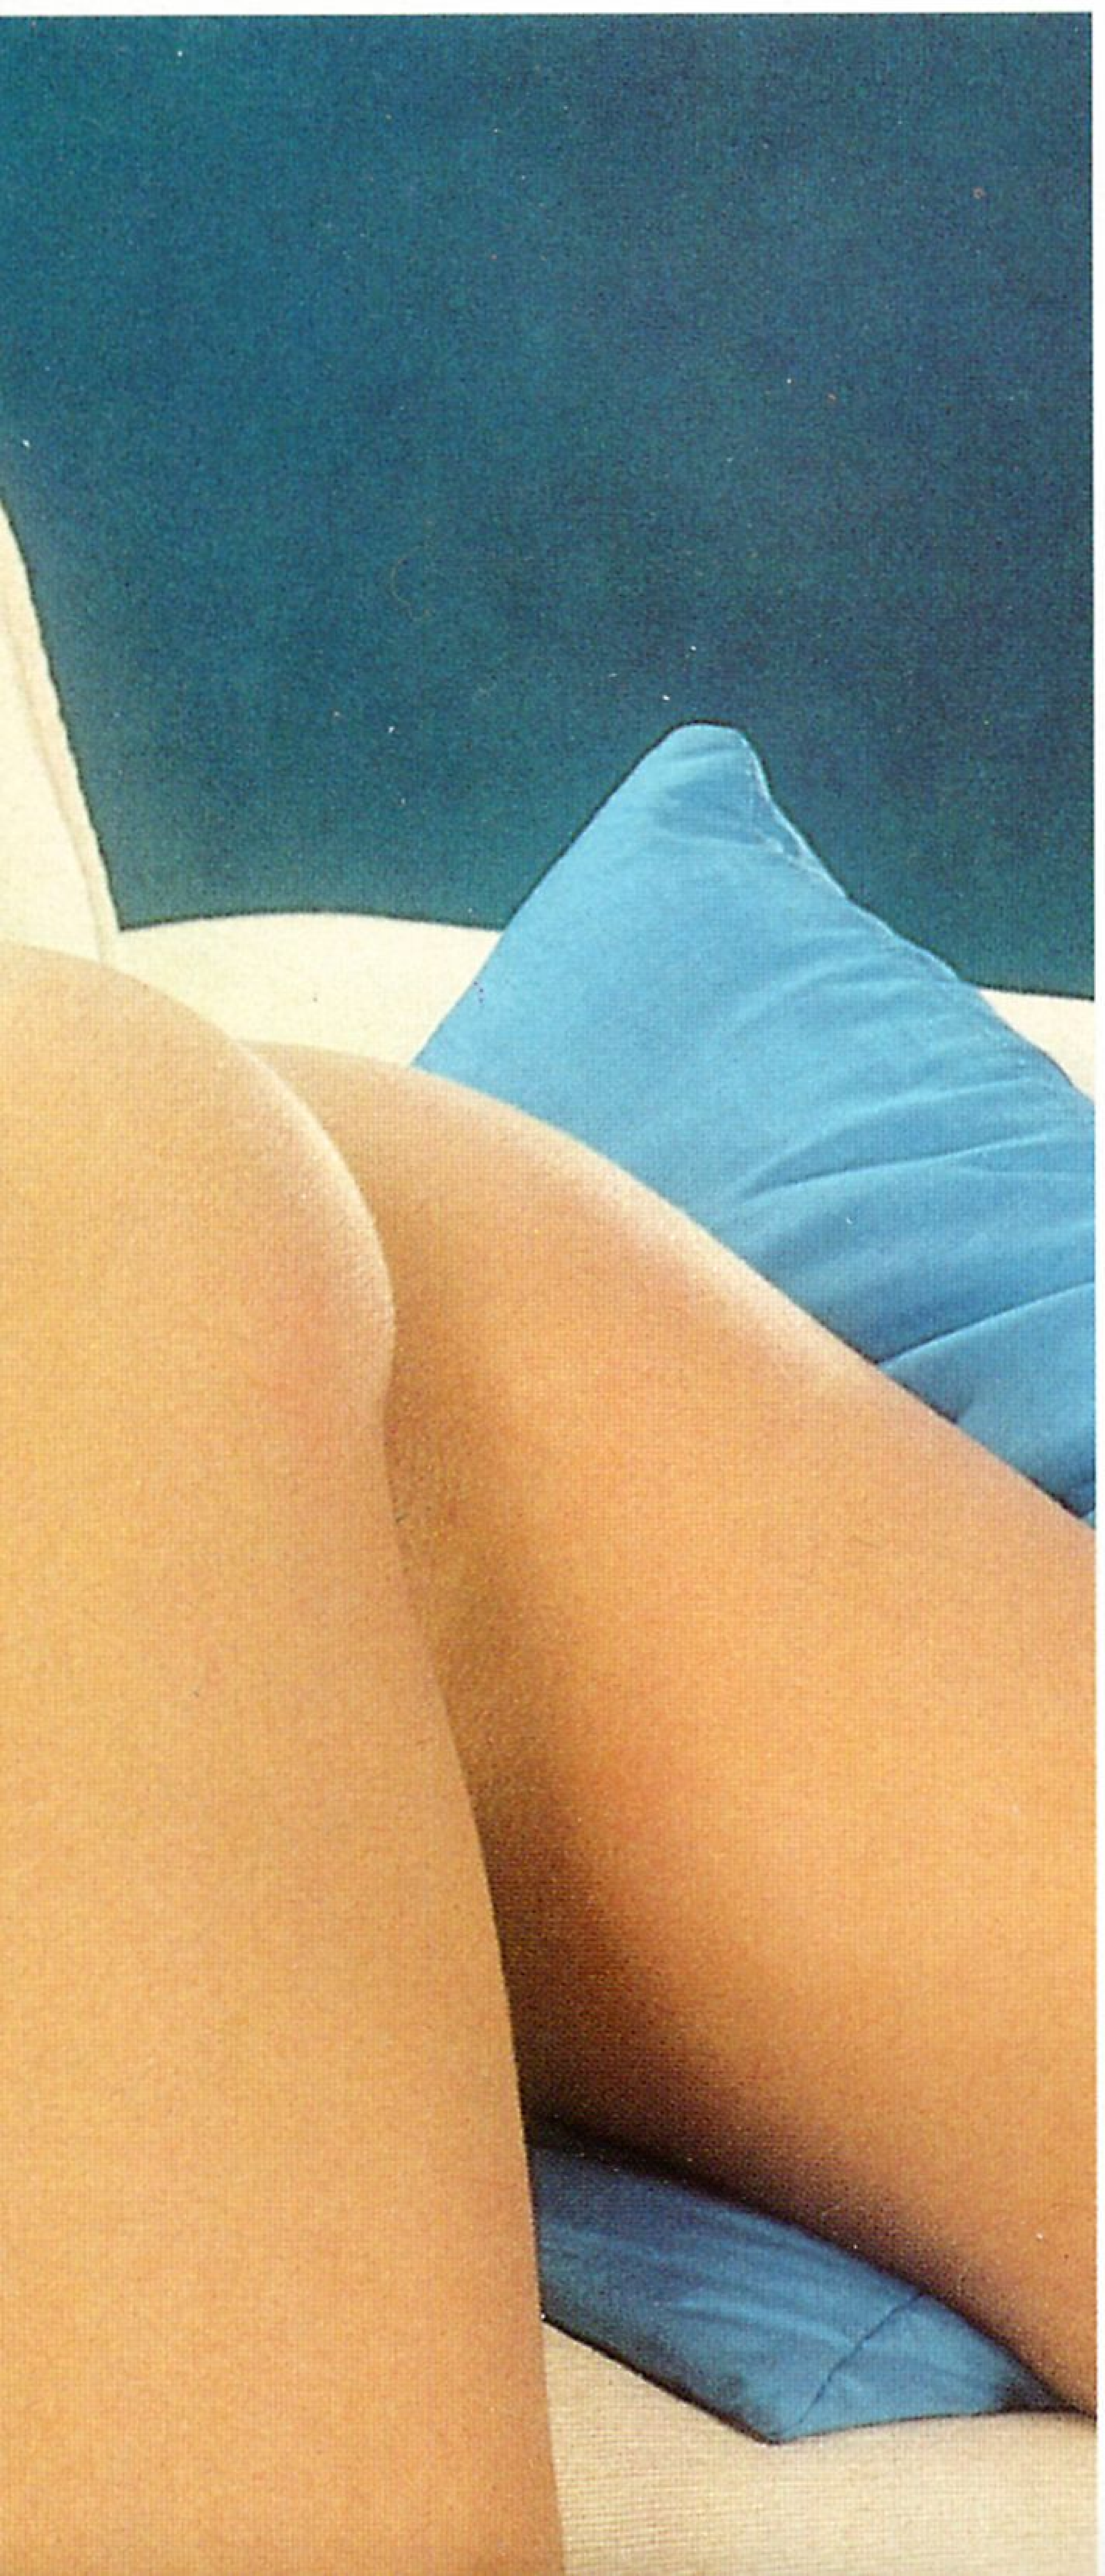
Photographs by Jack Harrison



We always knew that Anita, who made her debut in Vol 21 No 2, would be back, and here she is. The 19-year-old from Windsor has already told you all about her fancy for men in uniform, and she's about to make another confession...

"I want to turn on as many men as possible," laughs Anita. "I don't think there's anything wrong with that, do you? I used to be shy about showing off my body, but friends kept on telling me that I should give



it a try. The first time I was really nervous, but when I saw how good the pictures looked, I just knew that I wanted to do it again. When I model, I try to give it my best shot, you know; looking at the camera with a dirty look on my face, pretending that I'm just about to make love. It's never let me down yet!"

SIX FEET CHUNDER

Dead men tell no tales — unless they're the world's highest-paid deceased columnist, **Nathaniel Fatbastard**. This month our man checks out his own funeral.

As one of the finest stiffies to ever slide into a box, it came as no surprise to learn that my funeral was to be televised. And thanks to Blue Sky B Celestial Broadcasting (Slogan: 'There's always something good on the other side'), I was able to watch it from my temporary home in Purgatory.

Since I found out the mortal coil was an unreliable as the female one, I have spent an eternity queueing to discover whether I'm going to stay upstairs in the Cliff Richard Suite or down below with my journalistic colleagues. So I while away much of the time watching Blue Sky's TV shows for the deceased like *Deadenders* (the everyday story of rotting folk) and seventies corpse and robbers series *The Stiffy*. The only things I can't stand are the comedy shows — remember up here Arthur Askey, Bernie Winters and Tommy Trinder are still performing every fucking night!

Blue Sky B has recently been bought by another new boy, Robert MacSwell, who has caused something of a stir up here as he seems to be the only person to have found a way of taking it with him. He has a bigger wad than a monk's wank, and when asked where he got it from, he just says something about cashing his pension just before he snuffed it.

My funeral — or *Nat and the Big Box Game*, as Blue Sky chose to call it — was going out unlive at prime time. Unfortunately it's opposite Freddie Mercury's first solo concert on Blue Sky's cross between MTV and Music Box (called Empty Box) so it looked likely to have smaller ratings than an Airfix kit of the Ark Royal. But with a celebrity cast list as long as Errol Flynn's condoms it was going to be quite a show.

I read in our listings magazine *TV Quick and the Dead* that the Blue Sky commentators were to be Richard Dimbleby and John Arlott, but I was surprised to learn the show would also be hosted by Keith Chegwin.

"He's not dead!" I complained bitterly to Blue Sky's duty officer.

"That's right, sir," he replied. "We've only got him from the neck up."

However, the disembodied head soon disappeared and the rural tones of Arlott took over...

"Good afternoon from St Greavsies Church for the Saviour of Arseholes, sorry Our Souls, on a beautiful spring afternoon with the sun peeking through the trees just as it did that famous Saturday afternoon that all-rounder Ian Botham took his total to one thousand puns as Simple Simon in Jack and the Beanstalk at the Winter Gardens, Morecambe.

"And what a fine turn-out there is this afternoon to see Sir Nathaniel Fatbastard buried under the old sod, and I don't mean his ex-wife Ninja Pystcow. I haven't seen so many moist cheeks since I commentated on the cricket match at St Winifred's Home for the Doubly Incontinent in Eastbourne. Many of them belong to young girls who are being consoled by Sir Nat's nephews. Judging by their heavy breathing, I wouldn't be at all surprised if they too had pockets full of damp tissues before the day is over.

"And here

Invented by Otto Titzling in 1837, but patented by the cunning French, the brassiere or over-the-shoulder-boulder-holder is designed to keep the boobs exactly where they belong. This prevents black eyes when running for the bus or bruised knees later in life. Sadly, getting your hands on a pair of cajooblies enclosed in one of these contraptions is not an easy job — it's a bit like trying to break into Fort Knox using a toothpick. However, with time and patience, it can be mastered, and later on in this series, we'll be giving you handy hints on breaking and entering into every type of bra.

As you can see, our model is having difficulties with the proper positioning of her bra. If you see a lady in this predicament, E-cup etiquette dictates that you give her a helping hand. Or even two. ♣

come Nat's closest friends and relatives. There's his ex-wife Ninja with her new husband, Steve Awesome, followed by Lord Bleach, his long-time employer on Club International who Nat referred to tenderly as 'a scrawny little shite who got lucky'. When I asked what he would do now Nathaniel had kicked the bucket, his Lordship replied, "I'll really miss what he did for me at Club. Now I suppose I have to wipe my arse like other people... "

"Finally behind him comes Nat's drinking partner Tolly Stirling, and judging by the brown stain on the back of the beige cavalry twills, parts of him too have been moved by this sad occasion.

"Not everyone who had a part in Sir Nathaniel's life is here. Many of the girls he chatted up in the pub, like Nat on those many occasions, suddenly found themselves unable to come. Some like former nun, now single parent, Teresa Greene, sent a simple message — 'Sorry I had to pull out at the last minute. Wish you had.' Others just couldn't be arsed.

"But now the moment this crowd has been waiting for, the arrival of the old wooden box — *That's Shite* presenter Esther Ratbag, followed by Nat's one-time golfing partner and game show host Bruce Falsehair who will address the congregation."

"Wooo-woooo-woooooo. Thank you so much! Nice to bury you, to bury you — NICE!" wimpered Falsehair. "Good afternoon and welcome to the Degeneration Game with our guest, oooohwooo-wooo, Nathaniel Fatbastard. What a nice man he was, yes, a very nice man. But he doesn't go away empty-handed. He takes with him, errr, our best wishes. Alright my loves? It makes you wonder, what does it all mean? What's the point? What do the points mean?"

"Prizes!" shouted the crowd in unison.

"That's right, my loves. Good game, good game. Hope you're all dying at home. I mush dash now. It could still be a big night if I play my cards right!"

With that pathetic nonsense by an orange-haired OAP, the coffin containing my remains was lowered into the cold ground. There it rested until Tolly started its burial.

"Bleeeugghh! Ooops, sorry 'bout that! Must have had a duff pint," he mumbled. They handed back to Keith's head in the studio.

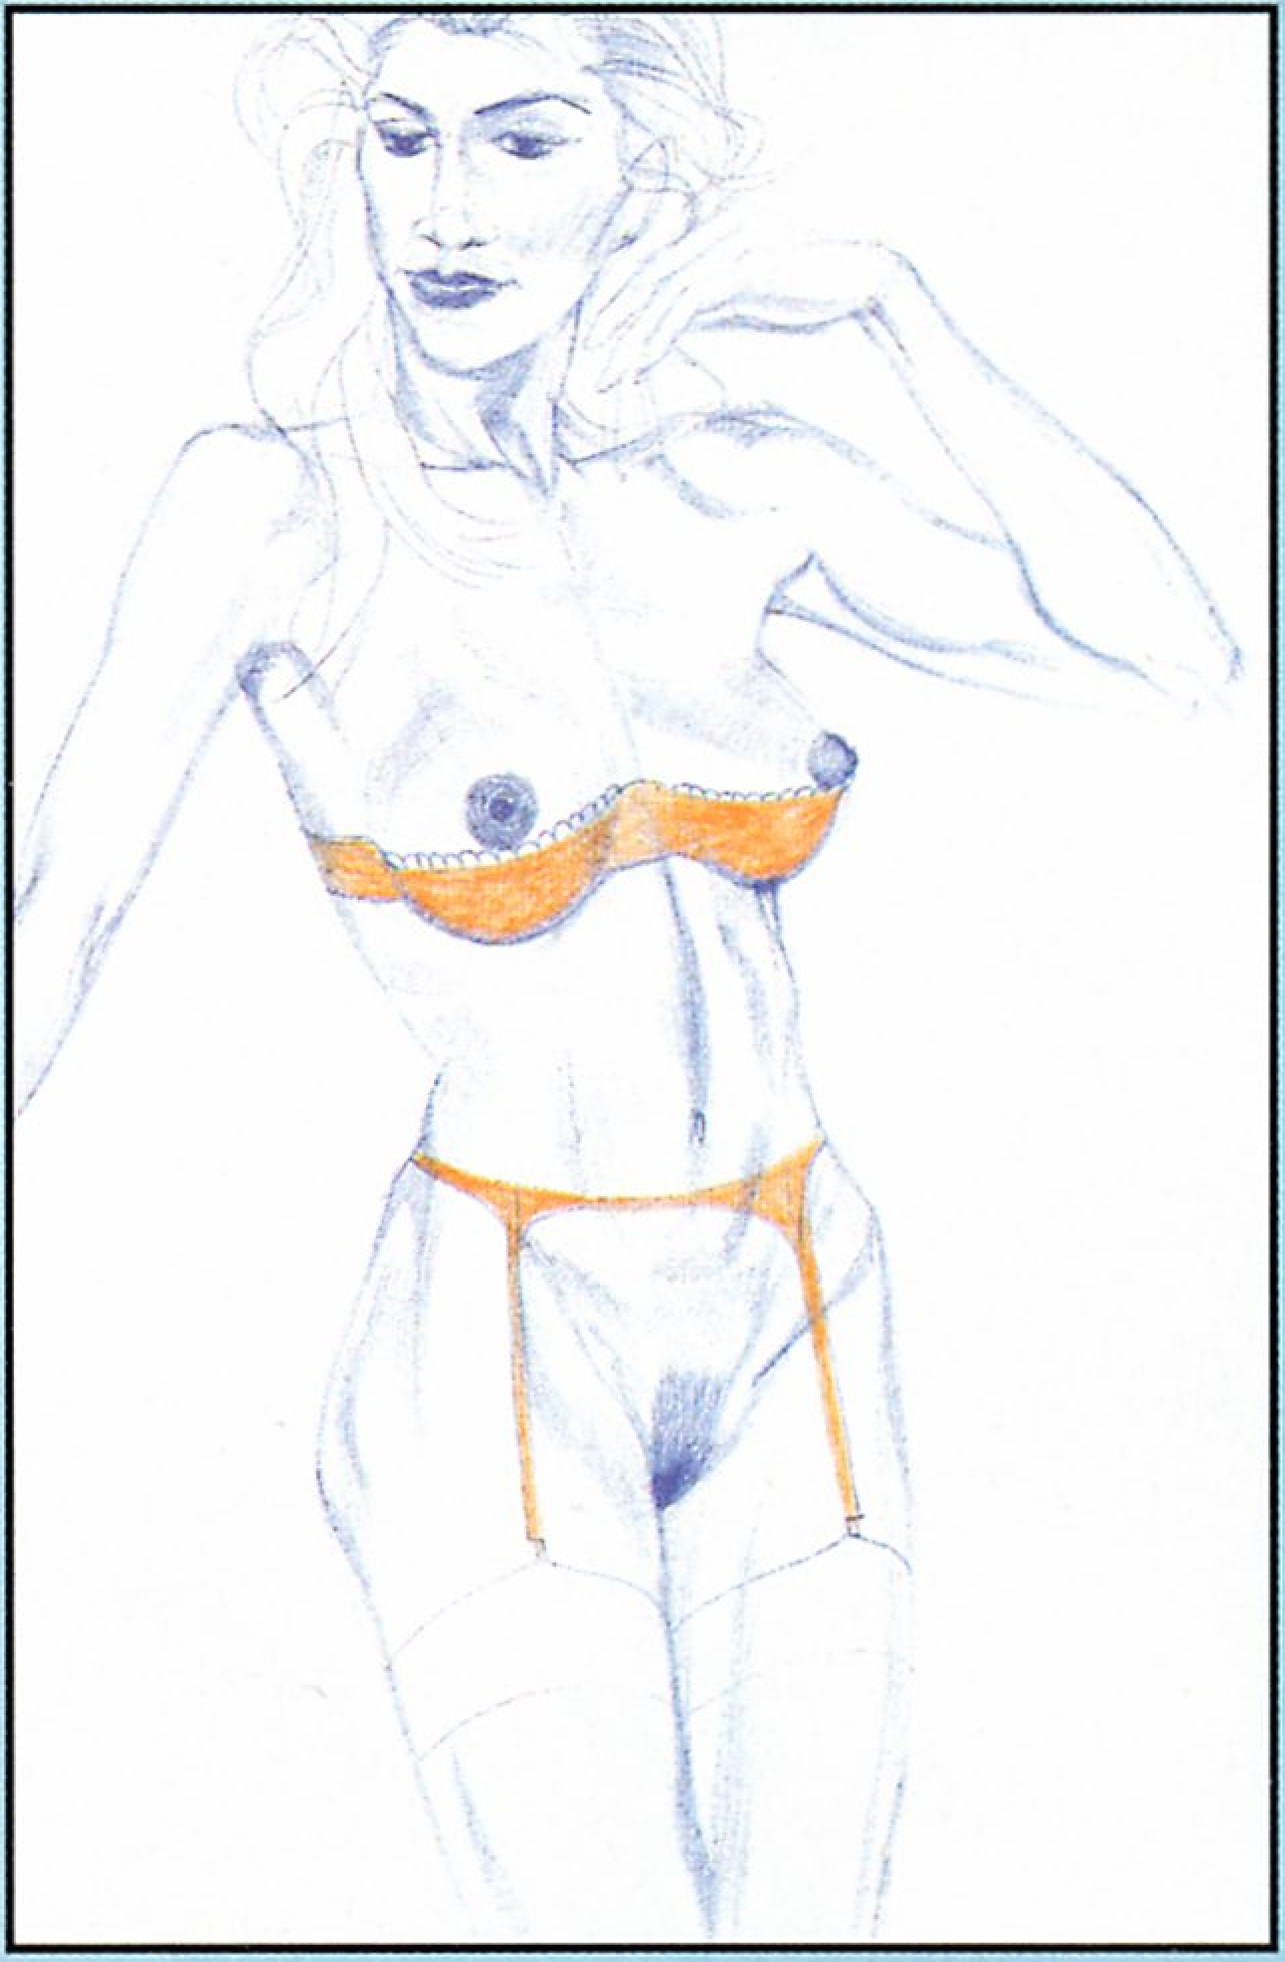
At that point, back in my new resting place, a hand touched me on the shoulder.

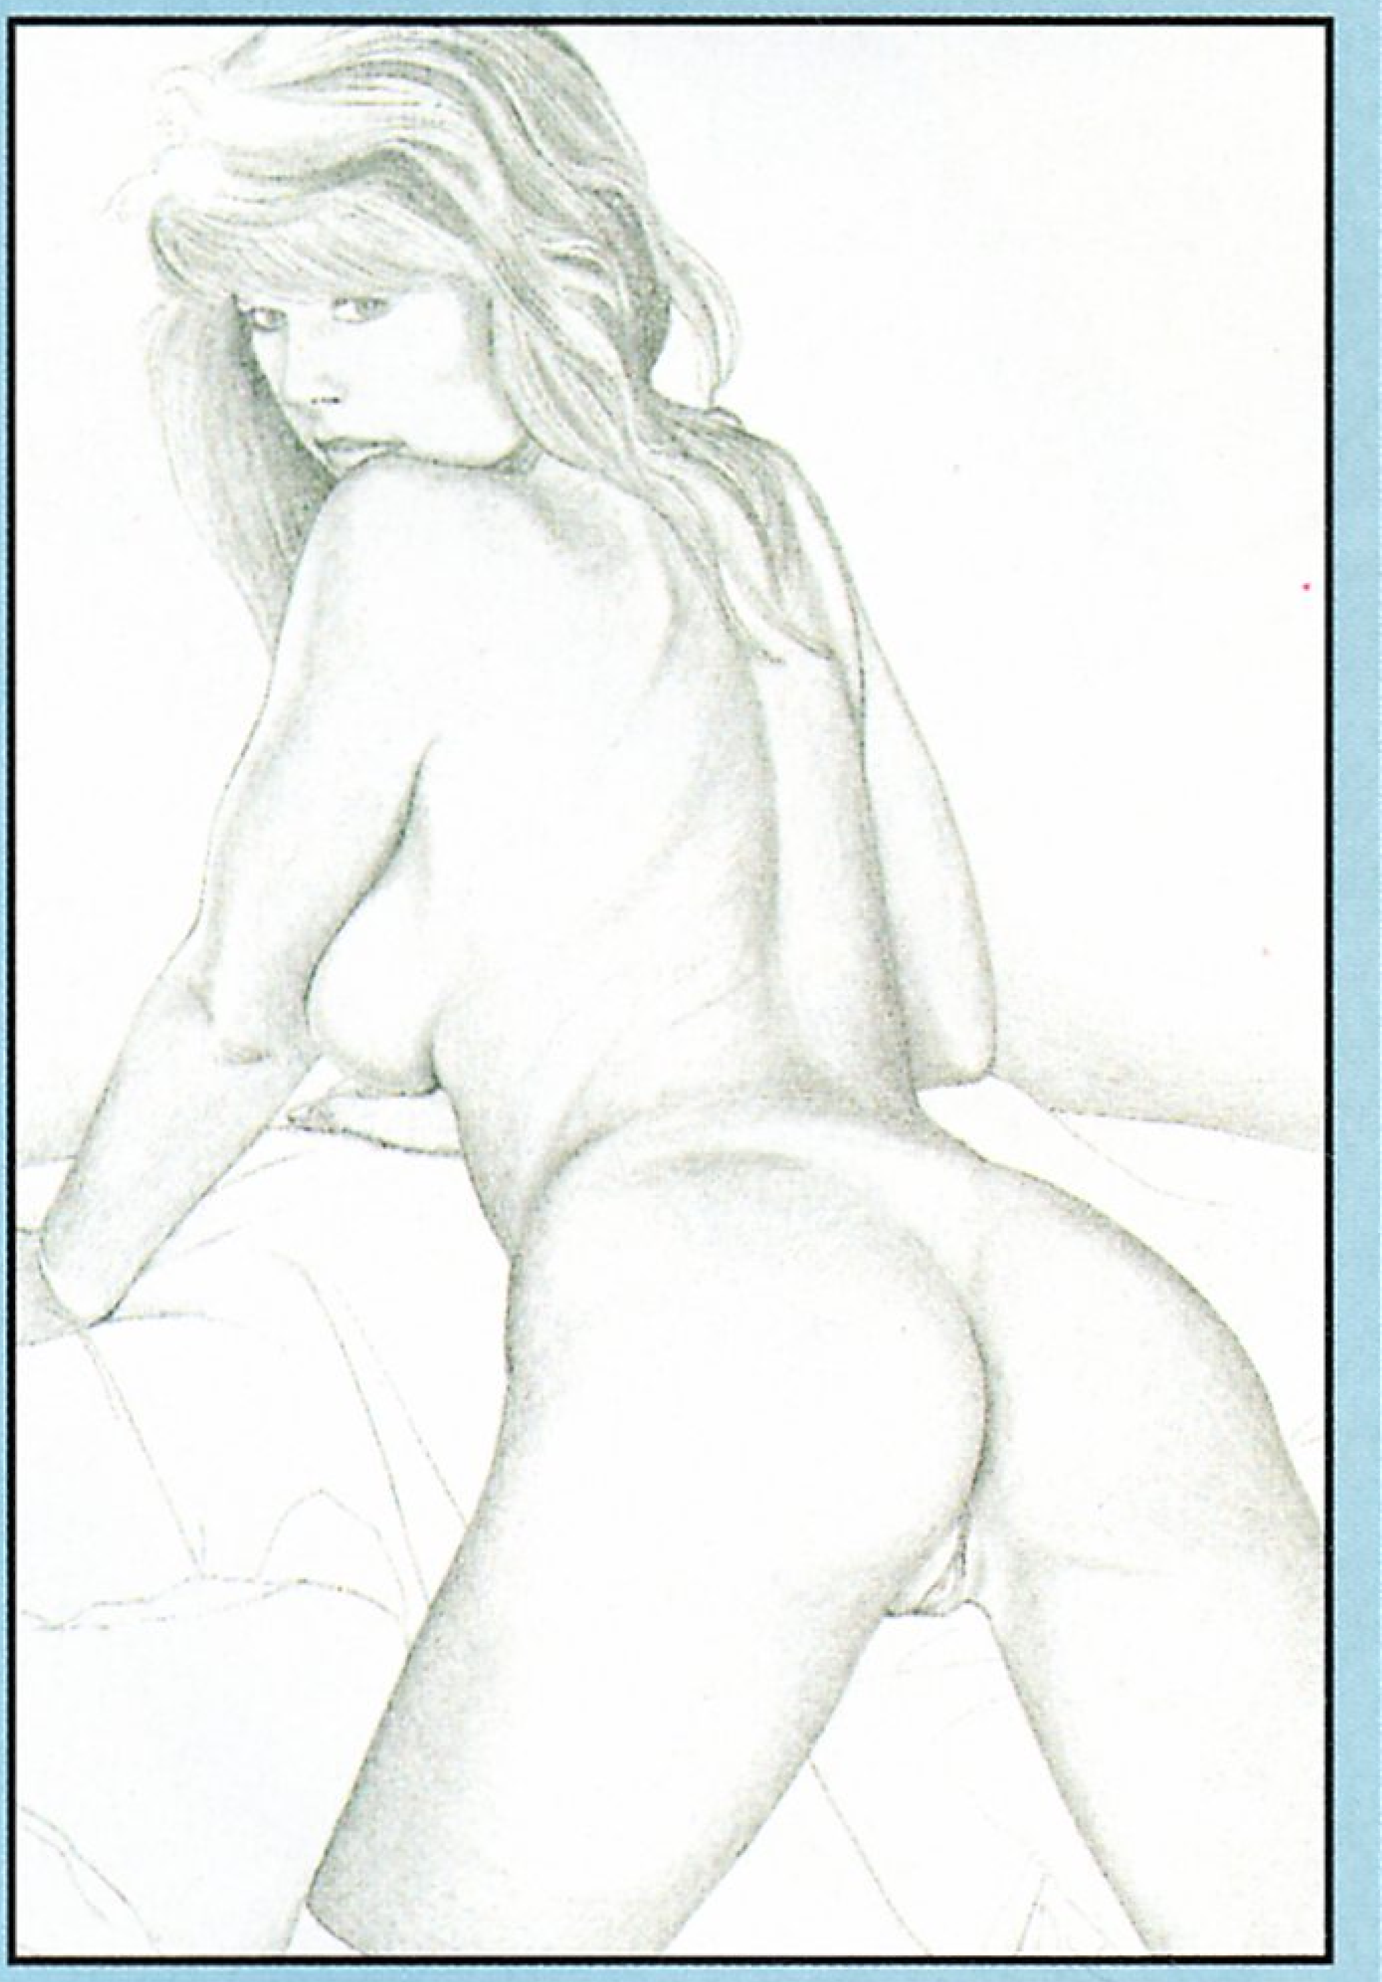
"Sir Nathaniel Fatbastard?" said a rather wimpish voice. "I've got the results of your Judgement. You're not going to like it, I'm afraid."

He handed me a piece of paper. I read the terrible verdict.

"Oh shit, it's Heaven!"

Next month: Nat is sick on St Peter. Probably. ♣





THE GALLERY

Thousands of crap drawings stand in six foot piles along the corridors of the palatial etc etc etc. And believe me, they really are shit.

Take our first pathetic offering, showcasing the undiscovered, indeed nonexistent, talent of Dave from Luton. He's drawn Antonia from Vol 21 No 2, and claims to be influenced by the existentialism drawn from the reality of his ethereal experiences in the netherworld. Which is quite fascinating, but it's a bit of a pity that it doesn't help him draw any better.

Our second effort comes all the way from Wingham, near Canterbury in Kent. Uncannily enough, it's also drawn by someone called Dave! The similarities stop there, though, 'cos we must admit, albeit through gritted teeth, that it's quite a lot better than the other one. At the end of the day, though, it's still shit, and no Dave, we're not going to pay you a penny for it.

However, like all our triumphant Gallery entrants, you do get a personalised critique from our Art Correspondent!

***Edward Floozie-Smith writes: Look, I'm a bit fed up with looking at all this cack. Don't you think that this is yet another idea that you've flogged to death? If you want someone to write pretentious twaddle about these inane scribblings you'll just have to look elsewhere, matey. I'm off down the pub for a swift Pernod with Francis Bacon, so knob off.* ♣**

HERE, KITTY KITTY!

This one's actually true. Incredible, isn't it?

Is your cat feline lucky? Then it could become a star of film and TV. No pussy-footing about, a school for cats has been set up in Van Nuys, California to turn your moggy into a megastar.

Take Tiddles here. Last month he was just an ordinary Tom pissing on the cushions, scratching guys' bollocks and leaving the place reeking of pheromone. Today he puts up to $500 a day in the kitty appearing in shows like *Mike Hammer* and feature films such *The Big Turnaround* with Ernest Borgnine. Fellow graduates have starred in Playboy videos, National Geographic films, and one lucky Tabby got a big part in the *Dolly Parton Christmas Special* (fortunately Dolly wasn't badly hurt).

We asked Tiddles if he'd appear in one of our girl sets, but he refused. He can't be photographed with other pussies because of a claws in his contract. ♣

SHE'LL MAKE YOUR DREAMS COME TRUE!

Hi guys! It's Kim here and I feel naughtier than ever this month because I'm riding along on my bicycle... and I never knew that it could be so much fun!

You see, whoever makes bicycle seats knew what they doing. They've made the seats so when you're racing along on your bike you can't help but get turned on. The front part of the seat presses against my clitty and the back squeezes my bum. And the middle part? Well I'm sure I don't need to tell you all how naughty that makes me feel... especially when I'm wearing my skimpy cycling shorts!

Anyway, something really sexy happened to me when I was riding through town the other day. I was pretending that I was the cute girl from that Tango commercial, and

when I stopped at the lights I opened a can of the fizzy stuff and let a little dribble down my chin, neck and boobs. I looked over into the car beside me and there sat a handsome guy eyeing me up with a very horny look on his face.

When I started rubbing myself against the hard seat, the guy's eyes widened and the bulge in his trousers grew. He started rubbing his cock through the material while I feverishly worked my way up to a little orgasm... naughty little me!

Unfortunately the lights turned green at this point, so that was that! Oh well, maybe next time when I'm out riding I'll see one of you fellas, and I'm sure you won't leave me disappointed! Till next month, fellas, see you! ♣

If you want Kim to fulfil your fantasy, then write to her at: Club International, 2 Archer Street, London W1V 7HE. She'll do what you ask!

KIM

letters to KIM

Dear Kim,
After seeing you in Vol 21 No 1 I just had to write in. You looked so horny in your corset that the night after I bought Club I had a dream about you...

You're my personal assistant and you come into my office to take some dictation. You're wearing a thin silk top that shows off your boobs and a tight skirt that clings to your thighs. I ask you to sit down and you begin crossing and uncrossing your legs, flashing me glimpses of your knickers and stocking tops.

"Do you like what you see?" you whisper. I can barely manage a nod when you begin stripping, telling me to join you. In seconds we are both standing naked, gazing at each other. You then slowly move towards me, licking your lips...

Unfortunately, at this point my alarm went off and I woke up. So Kim, could you please tell me what you'd do to me in my dream? — *Andy, Worcester*

I always seem to get woken up when I'm having a naughty dream, Andy — but I think I can tell you what would happen next...

I'd move close to you so my nipples are rubbing against your chest and I can feel your cock throbbing against my body. I move slowly down onto my knees and then lick the whole length of your swollen prick. I'd swallow every single inch of you, holding you in my hot mouth until you began to shoot your load down my throat. And by then I know my pussy would need some attention too!

So next time you have a saucy dream, make sure you don't get woken up before the good stuff begins!

Dear Kim,
I'd love to take you on holiday somewhere with secluded white beaches and clear blue water. Every day we'd go down to the beach and strip naked to get a tan. As I lay next to you I'd take a peak at your body, mesmerised by the droplets of perspiration rolling between your breasts. I look further down towards your slightly parted legs and I find that I can't resist giving your pussy a little stroke. You moan softly and I start rubbing more feverishly.

You ask me to slide my cock into your waiting cunt, and as the sun beats down on my back, I ride you like crazy. My cock feels so snug in your pussy that I never want to stop, but, of course, I finally come and it feels more intense than ever before. So how would you fancy holidaying with me, Kim? — *Dean, Aldershot*

I've never been anywhere that exciting or glamorous, Dean, but your letter has prompted so many naughty fantasies that I think I'm going to have to book a holiday straight away... and judging by your letter, I know exactly who to take with me!

Dear Kim,
When people think of peeping toms they usually think of dirty old men, but I'm nothing like that. I'm female — and tall, with long dark hair and pert breasts.

My fantasy is that one night I look out and see you stripping in front of your window. You take your clothes off very slowly, then as your top brushes against your nipples you become aroused. You start to tease your nipples with your fingers while working your other hand down towards your pussy.

I can see everything from my window, and when your fingers sink into your pussy I begin playing with myself, and we come together. I hope you don't mind me looking, Kim! — *Amanda, Glasgow*

Even though you wouldn't guess from my photos, I get a little shy when I'm naked in front of strangers. So if I looked up and saw you watching I'd be embarrassed, but I know I'd also be really turned on by the situation. Let's face it, I'm a bit of an exhibitionist at heart! ♣

a special message from kim

MY FIRST TIME!

She's been thinking about it for months: now your favourite regular girl has finally taken the plunge and tried lesbian sex!

I've got something so exciting to tell you that it just couldn't wait until next month — and luckily the Editor said he'd let me write it all down for you right now, so here goes...

Since so many of you have been asking me if I've ever had sex with a girl, the subject's been on my mind quite a lot. And I must admit I'd started to find the idea more and more appealing, although I always thought I'd be too shy to do anything about it. But now I know better!

Recently I've been looking for a new place to live, and when I saw an advert in my local paper for a single girl to share a flat, I thought it sounded ideal. So I made an appointment to call round the next evening.

When I got there I was welcomed by a very friendly girl who introduced herself as Michelle. She looked a bit like me — petite and blonde, but curvy in all the right places! — but what I liked most about her was her cheeky smile. She looked like the kind of girl whose idea of fun could get pretty naughty!

Michelle showed me around, and I liked the place — and her — so much we agreed that I'd move in straight away. Then she made some coffee and we sat chatting, getting to know each other.

After a while the conversation turned to boyfriends, and Michelle suddenly said, "I bet you don't have much trouble attracting guys, with a body like yours, Kim." I looked at her and she suddenly blushed.

"Well, you look about the same size as me, Michelle," I told her. "We could probably fit into each other's clothes."

"Why don't we find out?" she giggled, and all at once I knew something would happen between us. I felt very shy, but incredibly excited too, and I could feel my nipples getting hard and my pussy getting wet as Michelle began to unbutton her blouse.

I pulled off my top, wondering if Michelle would notice my nipples poking hard through my bra, and I found I just couldn't drag my eyes away from her as she wriggled out of her tight skirt. She was wearing a tiny G-string which barely covered her pussy, and I could see her golden curls peeking out around the sides. That made me feel so horny I pulled off my bra, rubbing my nipples as I did it and feeling a little thrill run all the way down between my legs.

"Take your skirt off too," asked Michelle shyly. I hesitated for a second, wondering what she'd do when she saw I wasn't wearing any knickers! Then I unzipped it and let it fall to the floor, and stood in front of Michelle as she gazed at my naked body.

The next moment, she was kissing me, her hands moving down to squeeze and fondle

my boobs. Her lips felt very soft and the smell of her perfume was making me hornier by the second. We sank down onto the carpet together, and she began to lick and suck my nipples.

My pussy felt so hot and wet all I could think about was getting fucked by this gorgeous girl, and when her fingertips brushed against my pussy lips I cried out, "Oh, yes! Do it to me now!" At once Michelle began to rub my clitty with practiced fingers, and I spread my legs wider, moaning as she slid one slender finger right into my sticky hole. Soon she was pumping me hard, but now I knew what I'd been missing, I wanted more!

"Lick my cunt, Michelle. Make me come!" I told her, and as she grinned at me I realised that was what she'd been waiting for. And let me tell you, feeling her hot tongue slide inside me was so amazing I came almost immediately. I felt so sexy and naughty, lying there on the floor with a girl's head buried between my legs, licking my pussy hard and making me tingle all over.

I'd soon come a couple more times, but it just seemed to make me even more aroused — especially when I saw Michelle's hand slide between her own thighs, so she could finger herself as she licked me. Suddenly I had the overwhelming desire to find out whether pussy juice tastes as good as spunk!

I think Michelle was a bit surprised when I rolled her onto her back and crouched over her, so she could carry on licking me while I pulled her G-string to one side — but even shy girls like me get bold when they're feeling horny! My hands were shaking as I touched her plump pussy lips and felt how wet she was already. I ran my finger between them and she raised her hips towards me, pressing her mound against my hand. As I touched her, her tongue thrust even harder into me, setting off a whole new chain reaction of pleasure inside me.

I ran my tongue slowly up the inside of her thigh, teasing her smooth skin, until I reached her pussy. Then I parted her sticky, plump lips and slid my tongue inside her. I couldn't believe how wet and hot and sweet-tasting she was, and I just couldn't get enough! We must have been rolling around on the floor for hours, licking each other to orgasm after orgasm, before we were finally exhausted.

Well, you'll know how much I loved my first experience of all-girl sex, and my first taste of pussy, when I tell you that I moved into Michelle's flat the very next day; and while you know your Kim will never, ever give up guys, it's nice to go home to the arms of another girl, too!

Love and kisses,

ARSE FROM THE PAST

More marginally buttock-related moments in history with a nice picture of a bottom

After Sir Walter Raleigh brought back potatoes and tobacco for good Queen Bess, so inventing those twin bar snacks, crisps and fags, the pressure was on young Frankie Drake to discover another foreign part. So he set off in his ship The Golden Behind in search of things that woud amuse the Virgin Queen whose sexuality was, to say the least, dubious.

Not far out of Plymouth Ho!, he discovered the Spanish Arsada, a fleet of ships womanned by pirates with nice bottoms.

"Avast behind!" cried Drake leaving an obvious opportunity for bottom-related innuendo. "All hands on the stern!"

So saying, his motley crew grabbed every one of the beautiful bummed foreigners and took them back to Britain. Queen Lez the First was much impressed, constantly recounting tales from that day on of how she licked the Spaniards.

Frankie was then dubbed Sir Francis — then redubbed in digital stereo for the disco market. ♣

scantily clad women are doing their exercises properly.

Most of the girls we get in the club are fairly attractive, but the other day I noticed a real stunner. She had long blonde hair, pert breasts, a really cute bum and a lovely cheeky little face.

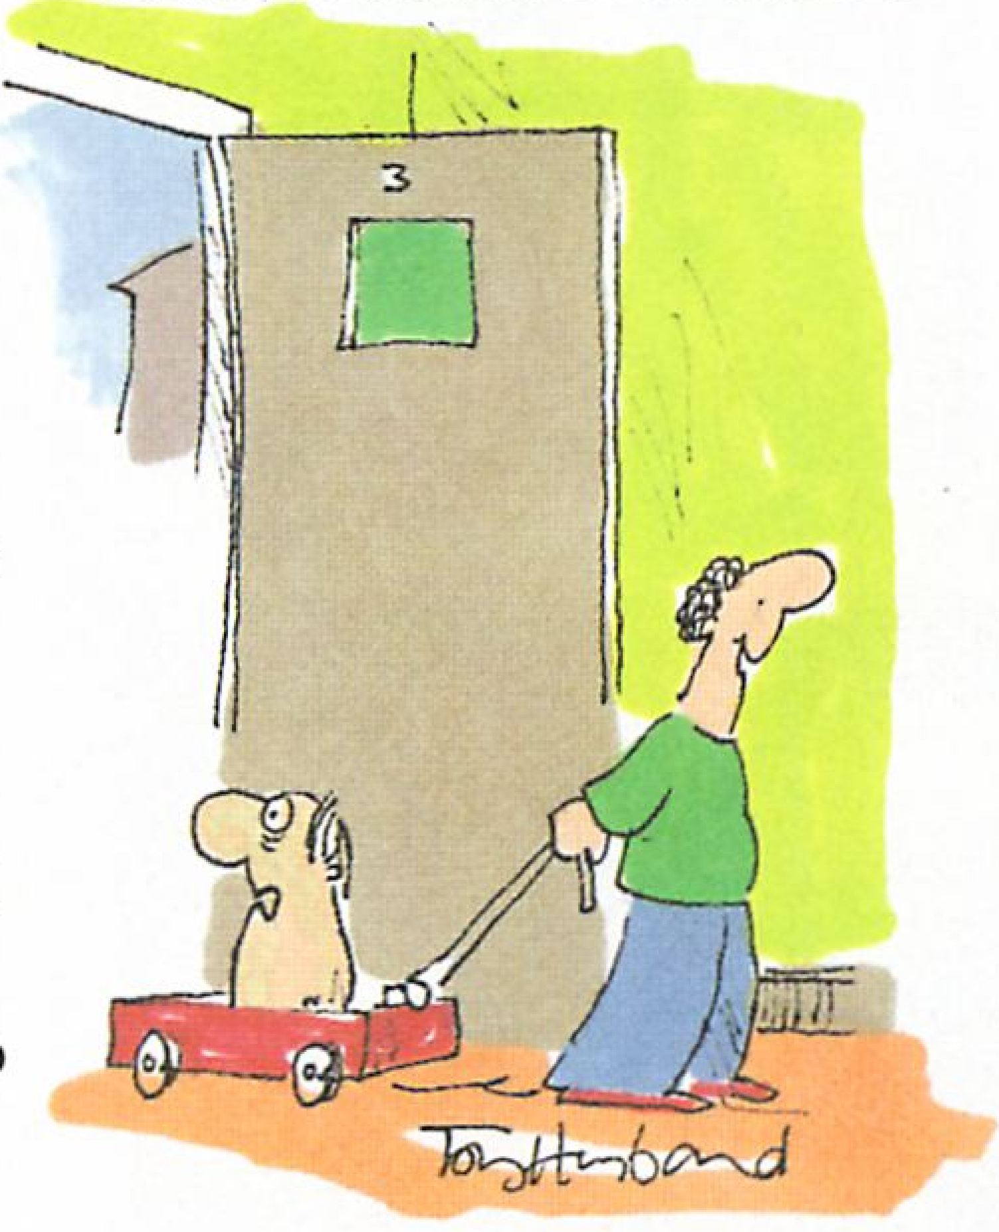
She was struggling with the weights so I went over and introduced myself. Her name was Rita and by the way she was looking at me I could tell that she might be up for a bit of fun — and I was the guy to give it to her!

I watched Rita while she pumped iron and sweat poured off her, making a damp patch between her boobs. I was having trouble trying to hide the erection that was growing in my shorts and Rita noticed. "My, what big muscles you've got!" she laughed, licking her lips suggestively.

"Would you like to help me work them out?" I asked.

"Sure," Rita replied, giving me a big wink.

I took Rita to our staff medical room. Not that it ever gets used as a medical room; it should be re-named 'staff shagging room'!



"Mum , Dad... guess what I've found?"

"I give a wonderful massage," I said. "Go ahead," she replied, rolling her leotard off and lying face down on the bed.

I straddled Rita's back and started working my fingers over her silky skin. "Hmm," she moaned. "That feels fantastic!" I started massaging further down to her bottom, and parted her long legs so I got a good view of her pussy. The whole area between her legs was shaved and totally smooth!

Pushing her knees forward so she was crouched over, I opened her fanny lips to rub her throbbing clit. Her cunt was already wet and ready.

"Go on," moaned Rita. "I want to feel your cock deep inside me."

I rolled my shorts off and rubbed my knob end around her pussy hole, then teased her clitty with it. "Stop teasing me," she said, "and start fucking me."

My cock sunk easily into her wet cunt, and I started thrusting, slowly at first but getting a little faster all the time. Rita was screaming in ecstasy and I could feel her pussy muscles contract. My cock felt lovely and snug in her pussy, and though I'd fucked numerous girls before, I'd never felt one with such a wonderfully tight cunt as hers. I could feel her hand still working on her clit, and

FEMALE FORM

Under editorial pressure, **Maurice Short** retains his integrity. For all of five seconds...

Recently your humble correspondent was called into the scruffy flophouse which passes as this publication's office. The Editor, a man who smokes his Embassies quicker than the SAS, fixed me with eyes so red, if Alex Higgins had been there he would have tried to pot them.

"I think your column needs more sex, Maurice!" he snarled. Well, I couldn't disagree with him on that. The last time I had regular rumpy-pumpy Blackburn Rovers were in the First Division. (Who knows, perhaps Kenny Dalglish could revive my flagging fortunes too.)

However, when he started muttering about getting more circulation to his organ I realized what he was getting at — he wanted me to make totally gratuitous mentions of sportswomen so that he could splash semi-pornographic pictures of them all over this page. Naturally, I refused to go along with such a shameless piece of titillation, even though he threatened to sack me if I didn't. Some of us have principles...

● It's that Grand National time of year again; a time when those of us who normally couldn't tell the difference between some goofy-toothed, wide-arsed nag and Anneka Rice (come to think of it, what is the difference?) nip down the betting shop and put the contents of our piggy banks on a walking glue factory whose name seems like a lucky omen, then sit down in front of the box to scream 'Get a move on you dozy bugger' every few seconds. And that's just while Peter O'Sullivan's waffling on about the owner's enclosure.

A couple of years ago I lost 55p on 'The Bastard Taxman Is Dead', so it doesn't always work out. This year though I've got a fool-proof system. Looking back at Grand National results over the past 20 years I quickly saw that the race is most likely to be won by a horse with alcohol in its name: we've had Red Rum, Seagram (the Canadian distillers) and Sabatini (a banana flavoured liqueur from Honduras). The answer, therefore, is obviously to drop my wedge on a filly by the name of Malibu, Pint of Lager Top or Croft (the sherry that is of course, not the pretty ex-tennis player Anabella, she of the long mane of tousled hair and the firm, tanned upper thighs).

● *Great Football Chants Of Our Time Number One:* Home fans often taunt away followers with a witty ditty to highlight the travellers' lack of numbers. To the tune of *Guantanamera* (a song which is a bloody sight easier to sing than it is to spell — I always find that it helps if you remember that it has the same number of letters in it as the name Sharon Davis. Nearly.) the lyrics have been refined from 'Come in a taxi/ You must have come in a taxi' to include other modes of transport such as sidecars, skateboards and Krabbe (a vessel used to harvest whelks). In the late Eighties, however, a new element was introduced and, for a while, the away end was regaled with; 'Come in a condom/ You must have come in a condom'. Suggestions that this had something to do with West Ham's theme tune *I'm Forever Blowing Bubbles* have been discounted.

● Insult Of The Month: Jesus Gil is the president of Athletico Madrid. Over the years he's popped out more boobs than Katarina De Witt during an ice dance championship. After last month's 3:2 defeat by arch-rivals Real, Gil surpassed himself, however. Commenting on the referee, who had awarded two penalties to Real, the man whose personality is so colourful he makes Ron Atkinson seem like a beige carpet tile said, "The referee was closer to the Real players than their badges. His performance was lower than a pekinese's arsehole." Who says there aren't the characters in the game any more?

● What is it with martial arts? Every two weeks a new 'Ancient form of self defence from the Far East' seems to turn up. We've had Kung Fu, Ju Jitsu, Karate, Tai Kwan Do, and Tsu Zan Dan Do. All of which are said to be 'a complete philosophy of how to kick seven shades of shit out of anyone whose shirt you find offensive' — watch out Luton Town.

Recently my attention has been caught by the latest import, Tai Chi. For some

"Most girls probably don't think of ironing as a very erotic pastime," giggles cute 21-year-old Charlotte, as she wriggles out of her skirt and slides it over the ironing board. "But I get horny every time I do my ironing — because it brings back a very special naughty memory!

"You see, I was getting ready for work one morning when I noticed my dress was creased," reveals the curvy brunette from Berkshire, "so I took it off to give it a quick iron. Then the doorbell rang and I

rushed to answer it, completely forgetting I was only wearing my knickers! I don't know what my neighbours must have thought about me getting into a steamy embrace with the postman, right there on the doorstep — but it put me into such a good mood I didn't even mind my boss ticking me off for being so late for work!

"So if you've got any laundry that needs doing, guys, bring it around to my place... but don't be surprised if I answer the door in my undies!" ♣

It's been well over a year since 22-year-old Nicola modelled in Club; what kept the sexy blonde away? Was it something we said?

"Oh no," giggles Nicola, her pert little nipples straining against the sheer material of her blouse. "It wasn't anything like that, I actually went on a working holiday around the world with my best friend. First we flew to Australia where I worked as a

topless waitress in a cocktail bar, which was fun except that Australian men are all mouth and no action, and then we moved to Japan. I couldn’t say a single word in Japanese but I soon found a guy or two who was willing to teach me the language. And finally we spent two months hitch-hiking around Europe. But at the end of it all I was glad to get home.”

BABY CARE WITH AXL ROSE

Helpful hints on handling the kiddies with the Guns 'N' Roses frontman

'YeeeeaaaaAHH, you know where you are? You're in the jungle, baby... and you're gonna die!' Well, maybe not, funseekers. It's W. Axl Rose here, mean metal mutha with top groove combo, Guns 'n' Roses. Now, you're probably wonderin' what the world's number one heavy metal singer knows about baby care, right? Well you'd be surprised, maan.

See, babies aren't really that different from me and the other guys in the band, ya dig? First off, let me warn you babies don't do nuthin' but shit and spew... a bit like me, right? So listen up, maan, when your baby shits his diaper — that's a nappy to you quaint English folks — just pretend you don't notice nuthin' until your bitch comes home, hey dig what I'm saying?

And babies cry all the time, maaan. Just when you're ready to get hot 'n' horny with your babe, the kid starts howlin' and whingin', whaddayado? You just keep right on fuckin' her. C'mon, maan, the kid's gotta learn, ain't it?

Hey, but don't forget, maan — a baby is a lot of responsibility, so make sure you choose yourself a girl who don't mind stayin' at home looking after it while you're chilling out with the boys in the band. Anyhow, gotta fly, maan... 'With your bitch slapping rappin' and your cocaine tongue, you get nuthin' done... YeeeeaaAH!' ♣

now and again it stroked the underside of my cock. Her head was down on the bed and her face was screwed up in concentration as she played with herself.

My fucking was speeding up now, and I could tell that Rita was heading for an orgasm. My hands squeezed her bum cheeks as I slammed my whole length into her again and again. Finally she moaned, "Come inside me now! I want to feel your spunk shoot into me." I didn't need any encouragement and my cock released a streaming load of juice right up her pussy as she came with a muffled scream.

Rita rolled over so she was facing me, and she said, "That was the best fuck I've had for ages!" She rubbed her body against me as she kissed me on the lips for the first time, and my cock started jerking as her sweet tongue explored my mouth. I was raring to go again! Nature Lover

I've always been a real exhibitionist, but lately I've even been shocking myself with the things I've been doing! At first it was just a fantasy. I used to dress up in a short skirt and tight top, with no bra and knickers, and parade around my room pretending to be outside. Standing in front of the mirror, I'd slowly pull my top off until my tits were free, then ease my skirt up over my bum cheeks and bend over, looking in the mirror to admire the effect of my tight bum and the view of my wet ginger-framed pussy.

Doing this always got me so horny that I'd have to bring myself off with my fingers, and it wasn't long before I wanted to go further. There's a quiet country road not too far from my flat, and one day I drove out there wearing just my skimpy outfit. Parking the car, I hid in the bushes, my top pulled right up, and my skirt rolled around my hips so I could feel the breeze on my cunt. I started rubbing myself, pretending there was a man watching me. Pretty soon a guy walked past with his dog, and my pussy juiced up and began throbbing so much I fingered myself to a climax right there in the bushes. I'd love to know what he would have thought if he'd known there was a woman finger-fucking herself only a few feet from him!

My climax just made me feel even hornier though, and I was starting to feel desperate for a good hard fuck by the time another guy came past. This time I moved right to the edge of the bushes and I started pushing my fingers into my cunt.

The guy must have heard my soft moans, because he suddenly looked up and saw me crouching there with my thighs spread and my sticky cunt on show. He grinned at me, and when I nodded and smiled back he came over, unzipping his trousers and pulling out his rapidly stiffening cock. Without a single word, I leaned over

STAND UP FOR SONIA

Once again we tackle the big issues of the day. This month: we stick up for the sunny scouse chanteuse

After the obvious success of last month's campaign, *Bin That Barnet, John*, we've swiftly moved from politics to pop. And so we introduce with much pleasure the *Stand Up For Sonia* campaign.

Irresponsible and vicious elements in our society — those, indeed, whom Margaret Thatcher so memorably dubbed The Enemy Within — have used their subversive influence to promote the view that Sonia is a pop singer of no more than average talent or dress sense.

These lies must be challenged. To do so, we consulted top arts pundit Melvyn Bragg, who apparently knows about these things even if he is a bit of a trendy pinko.

"Sonia is the future of popular music — arguably this century's Mozart," said Melv through his nose. "I mean, that one from the Abbey National commercial — triffic, wasn't it?

"Then there are all the other memorable hits this sprightly young lady has amassed in her relatively short career. Like... well, you know, there was that one about the world or something... and, er, there was that one that went 'Give me just a little more time, dee dee dee da dee dee'... oh no, that was Kylie, wasn't it..."

We tried to conduct an interview with Sonia, but her manager told us "Sorry, she can't talk" — something we must admit that we'd suspected all along.

If you would like to support this campaign, write to *Sonia's Very Talented And Also Has Rather Nice Boobs*, Club International, 2 Archer Street, London W1V 7HE. We're not quite sure what we'll do with your letters, but at least it'll show you care. ♣

WOMEN'S WRITES

Where the girls get down to business

CARRIAGE AWAY

I'd like to tell you all about the best train ride I've ever taken, although I doubt whether British Rail will be making an advert about it!

My boyfriend Perry is a sales rep and has a small cottage out in the countryside. As I work in the centre of London, it means we only meet at weekends when I take the train out to the cottage. Once I get there we're soon making up for lost time.

One Friday I decided to take the afternoon off work and head out early for the cottage to cook Perry a romantic dinner that I knew would up with me getting a good fucking for dessert.

The train out of town was almost empty and I was quite happy to sit in a small carriage on my own thinking about the positions Perry and I would be sharing later. A couple of stops down the line a young girl got on, slid back the carriage door, and sat down opposite me. I didn't think much of it at the time apart from that she probably didn't like sitting in a carriage by herself.

I began sneaking glances up from my book to look at her. She had wonderful, long red hair, bright blue eyes, what seemed to be a very shapely pair of tits under her jacket, and lovely long legs covered by sheer stockings.

I felt her looking up at me too, and soon our eyes met, although we both quickly looked away again, embarrassed. I've never been to bed with another girl, although I've often fantasized about the idea while frigging myself off during my lonely week-nights, and Perry had hinted about how much he'd like to see me in action with another girl.

As the train rattled on, I shut my eyes and had almost dozed off when I heard my companion let out a throaty breath. I opened my eyes and had the shock of my life! The girl had hitched up her short skirt to the top of her thighs and I could see her hand clearly rubbing her pussy through her tiny panties.

"I'm sorry," she said, as she noticed my stare, "but I just had to, and I didn't think you'd mind. Actually, I'd really like it if you watched." I suddenly realized that there was nothing I wanted to do more, and I felt a familiar tingling in my pussy lips.

The girl pulled her skirt up higher over her stocking tops and spread her legs a little wider, working her fingers into the top of her lacy white knickers. I could see her parting her damp lips through her gorgeous red muff hairs and begin to work on her clitty.

I couldn't hold back any longer — my own knickers were getting very damp indeed, and I felt like I could even come without playing with myself. I knelt down in front of her, and hooked my fingers inside her panties, pulling them down her long legs and catching the sweet smell of her snatch as I did so. She pulled her fanny lips apart with her fingers and said, "Go on — lick me, please."

I didn't need asking twice! I plunged my tongue into her pussy, twisting it around and savouring her flowing love juice. I lifted my head slightly so that I could suck

on her hot clitty and pushed two fingers into her love tunnel. I thrust and sucked for all I was worth, driven on by her gasps of pleasure and the feel of her stocking tops against my face. I frantically squeezed my pussy muscles together and felt my juice literally run out of my cunt.

My new lover let out a long, low moan, and her pussy throbbed while juice dribbled onto my tongue. She grabbed my hands and pulled me up onto the seat, making me kneel on all fours with my pert bum pointing up at her. She pulled my skirt up over my hips, whipped down my knickers and shoved two fingers deep inside me. I felt fantastic sensations shooting through my soaking fanny as I bucked furiously against her hand. For some reason being finger fucked by a girl felt different than the numerous men I had do it.

I reached down between my legs and fingered my clit, rubbing the hard little button until I felt the unmistakable throbbing of a massive orgasm rip right through me. My lover hadn't finished yet though as she rolled me onto my back and licked my sensitive pussy, her flame red hair buried in my jet black pubes.

We'd only just pulled up our knickers and pulled down our skirts when the ticket inspector came around and he must have thought we were weird as we howled with laughter! I wasted no time in inviting my new friend, whose name is Audrey, back to the cottage as a lovely weekend surprise for Perry.

When Perry opened the door the look on his face was one of pure lust and Audrey and I took no time in pushing him into the bedroom and undressing him. Not surprisingly his cock was erect and Audrey and I both sucked his cock at the same time, Audrey mainly licking his balls while I gave little flicks around the head before sucking the whole length just the way Perry likes.

Though Perry can usually control himself for a long time, this time he came after only a short period. I wasn't surprised at all — I mean this was one of his fantasies after all, so he might as well enjoy it to the full!

"Maybe you should try Audrey's and my pussy juice and tell us which one's the nicest," I said, knowing that Audrey wouldn't be able to control herself when she felt Perry's expert tongue against her clit.

I was right, Audrey was soon wriggling around on the bed even more energetically than she had been when I'd been licking her out on the train. I lost count of how many times we licked, shagged, sucked and fucked that weekend, though the way my pussy felt afterwards it was definitely more than ten times!

My weekends with Perry are now even dirtier than they used to be because Audrey comes up on the train with me every time. You can bet that Perry's house is full of fuck-happy people on the weekends now! — *Liza, London*

CAR RIDE

For years now I've been driving an absolute wreck of a car. It's the butt of my friends' jokes and a constant source of embarrassment for me. So after much saving, the time finally came when I could afford a good second hand model.

I bought a copy of my local paper and rang up a few suitable ads, arranging to inspect three cars that afternoon. The first two were okay, and looking back now the last one wasn't that much better but it had an extra bonus that was impossible for the other two to match...

When I knocked on the door at the address the man on the phone had given me I couldn't believe my luck. Standing there was an amazingly handsome fella with an adonis-like body.

My voice trembled as I explained that I'd come about the car and his grin told me that he knew full well the effect he had on me. I'm quite good looking myself so I decided there and then that at some point I would try and make a move on this god-like creature! He introduced himself as Neil and asked if I wanted to try the car out. I hoped that considering my condition I'd be able to drive in a straight line!

In the car we talked freely as I waited for a opportunity to make a pass at him. Instead it was Neil who made the first move when I felt his hand over mine as I changed the car's gear. We both remained silent as I continued to drive along and his hand stayed there for a while before it moved up my leg, which was bare as I was only wearing a pair of shorts.

"Do you mind me touching you?" he asked, knowing full well that I didn't mind at all.

"Well, it could do with going a bit higher," I replied, giving him a little smile.

"Why don't you pull the car over in this park and I'll see what I can do about that!" he retorted.

I may have known Neil for less than an hour but I could tell that sex with him was going to be wonderful — I mean just looking at his body almost made me come! He also had a look about him that made me think 'I bet he knows how to please the women' and please this woman he certainly did!

When the car was parked Neil suggested that we might be more comfortable in the back. I giggled, replying that I'd not had a session in the back of a car since I was a teenager, and asked if this was the way he treated all his girls on their first date. Neil quietened me by kissing me long and hard on the mouth, making my body feel like it was melting. My pussy, which between you and me hadn't had any action for far too long, began to juice up.

There wasn't a lot of room in the back, but this only added to the fun of it all. Neil pulled my shorts and skimpy undies off and I undid the buttons of his jeans and practically ripped his shirt off. Neil pulled my T-shirt over my head and unclipped the lacy bra that I was wearing. Though I say it myself, I've got great breasts: round, squeezable, topped off

FOUR PLAY

I'd always wondered about the three young women who moved into the house next door to me about a year ago. I especially wondered why my parents were never constantly popping next door or across the road the way they do with our other neighbours, and once when my father saw me speaking to one of them across the garden fence he gave me a really filthy look. Of course, as I was pretty naive back then I never guessed that all three of them were lesbians — I wasn't even sure what that meant! I certainly had no idea of what precisely went on behind the thick curtains that were always kept drawn... not at first anyway.

That all changed when my parents went on holiday last July for three weeks, leaving me in charge of the house. I'd just left school after finishing my A levels, and was earning money to take to college with me in the autumn. The weather was really hot, and so after work I spent a lot of time sunbathing in the garden, getting myself a really good tan. At first I'd wear a bikini, to tan as much of myself as possible, but gradually I decided that I could go topless — after all, it was my own garden and none of the neighbours could really see in, unless they happened to be looking deliberately.

One weekend afternoon I was enjoying the feel of the hot sun beating down on my bare nipples, making them tingle and grow hard and stiff. I felt aroused as I idly stroked one boob and then the other, feeling how they flattened as I lay on my back in the grass, and before I knew it I was stroking both boobs, one with each palm. The heat was making me feel dozy, almost half asleep, and I think I must have forgotten where I was. As I felt the hot juices beginning to rise in my pussy my hands gradually moved lower and lower, my fingers reaching down into my bikini bottoms. I felt the trembling start as I softly touched my little clitty and frigged myself, my fingers probing inside my slit to feel how warm and wet I was. My pussy walls contracted as I leaned back and revelled in the bliss of fingering myself. My back arched up and my hips moved involuntarily off the ground and I pushed my thumb onto my clitty with just the right amount of pressure...

"That looks really exciting," drawled a voice over the fence, just as I was about to climax. "I only wish I was on your side of the fence so I could join in the fun!"

I was so startled and embarrassed that I didn't stop to wonder what my neighbour Petra was doing hanging over the fence watching me frigging myself — her eyes must have been devouring every dirty movement and stroke that I was giving myself. I fumbled around trying to cover myself up, feeling the juices seeping from my cunt and staining the crotch of my bikini bottoms.

"Don't stop on my account," she grinned. "I was just beginning to get interested!"

I ought to have gone inside right then, but something kept me there. I was wondering just why Petra was looking at me so avidly, as if she wished it were her own fingers that were stroking my clitoris, her own palms that were circling my throbbing, swollen nipples. I suppose I ought to have realised then why my parents didn't really want me to associate with the three women next door, but instead, when Petra invited me around for a drink that evening, I found myself accepting.

Petra introduced me to Cleo and Rachel, whom I'd seen but never met before, and the way they all three looked me over, just like blokes do in the nightclubs I go to, made me shiver inside. I was being inspected and I liked it: I liked the way Cleo walked around behind me to see the shape of my bottom, and I stood up straight so that Rachel's eyes could get the full effect of my firm, high boobs. I wasn't wearing a bra and I could feel my nipples growing under her gaze. I was overcome with the urge to touch myself, to frig and stroke my pussy into submission — or to have one of these three obviously very randy women do it for me.

At the same time I felt confused. I'd never had any lesbian urges before, and I'd certainly never been eyed up by another woman in this blatant way — let alone had three of them obviously eager to take me to bed and teach me what I'd been missing!

"We've watched you, even though we know you've been forbidden to talk to us," Petra told me. "You're a lovely young woman, and we want to show you how a body like yours should *really* be enjoyed."

Petra took me by the arm and sat me on the sofa. "Stay there, watch and don't say anything," she told me. "I think you're going to really enjoy this..."

As I watched Cleo and Rachel slowly and sensuously stripped each other off, their fingers exploring all the erogenous zones of each other's bodies as they did so. They didn't do anything else but that, but somehow it looked like the biggest turn-on in the world. Then Rachel parted her legs as Cleo slid down to a kneeling position on the floor and stroked her friend's sparse pubes apart until her pink, swollen, wet cunt was totally exposed to us all. And then Cleo slowly, so slowly that I could see every movement, pushed her tongue into Rachel and started to lick her out.

"Does that turn you on?" Petra whispered to me as I tried to stop myself from slipping my hand into my knickers and wanking myself off then and there. "I bet your cunt is wetter than it's ever been. Wouldn't you like me to do that to you?"

I gulped. "I'd love it," I told her, "but please let me watch the others first. It's turning me on so much!"

"We've got a young voyeur on our hands, girls," Petra announced, but I doubt the others even heard her, as Rachel had her head thrown back and her hands holding Cleo's head firmly at her cunt as Cleo greedily lapped up all her friend's juices. Cleo's bottom was wobbling up and down with the effort of licking out Rachel, and then I watched every second of Rachel's orgasm — the way she closed her eyes and circled her hips and pinched her nipples — and I listened to all the dirty words that she kept saying over and over.

"Fuck me with your tongue, Cleo! I love it! I'm nearly there, just tongue-fuck me a bit more..." I'd never seen another woman come before, but Rachel really made her orgasm last, going through each delicious stage slowly, as if she was doing a demonstration of it for me.

Petra had obviously realised that Cleo would need to come too. Her cunt hair was shaved between her legs leaving just a little tuft at the front, so you could see the juices glistening, see every fold and line of her pussy lips as her bottom moved in time with her tongue's thrusts. She would have been frigging herself if her hands hadn't been full of Rachel's firm buttocks, and suddenly a feeling of sheer, total randiness came over me. The next minute I was on my knees behind Cleo, my blouse straining with the weight of my unfettered tits as I rubbed myself against her bare back and bottom, feeling incredible sensations shooting through my already overheated pussy.

I'd never known that I'd be so turned on by the feel of another girl's naked body, but I totally lost control of myself when my nipples started rubbing against Cleo's bare bum. I shrugged off my blouse so that I could feel my skin naked against hers, and my hands roved everywhere, touching her own swinging boobs and then wandering lower and lower until my fingers buried themselves eagerly in Cleo's soaked cunt.

I ran my thumb along her slit as I pumped my fingers in and out, and felt her warm juices leaking all over my hand. I had to taste them, so I swapped hands and put my wet fingers into my mouth, tasting Cleo for the first time. After that, I was dying to taste her properly, so I lowered my mouth to her pussy. The moment when my tongue touched her cunt and then slipped right inside I felt so dirty and wanton — it brought me to the edge of an orgasm as I rubbed my pussy through my sticky knickers.

The combination of her advanced arousal and my tongue lapping at her made Cleo come almost immediately, but when she moved away from me to crouch there on all fours and recover, I started to climax, feeling my come rush over me again and again. Of course, I wasn't a virgin, but I'd never come like this before.

Petra had just watched all of us exciting each other, arousing each other, and finally bringing each other to those delicious climaxes. Bizarrely, though, she was still fully dressed and seemed to be watching us all with some amusement — but I could sense behind that facade that she was desperate for sex.

"Who's going to make you come?" I asked her.

"I almost came watching the three of you together," she smiled. "But I need a little something extra to make me come. I hope you'll help me with it."

I had no idea what she meant, but Rachel and Cleo urged me on. "You're doing so well for your first time," Cleo told me. "Why not go the whole hog?"

I nodded. I was so turned on I was willing to do whatever Petra wanted! She went across to the dresser and took a black box out of the drawer. She handed it to me and told me to put on what was inside.

When I opened the box I gasped. Inside was a huge strap-on double dildo, clearly designed for two women to use. One length must have been about ten inches long,

and was covered in bumps and ridges so that the receiver could gain maximum arousal. The other end — the end with the straps — was smaller, but so thick that I wondered if anyone's cunt could accommodate it. The thought of taking that up into my cunt scared me at first, but my pussy knew better than I did, and as I felt it start to juice up I knew I couldn't say no.

"I take it you've never used a dildo before?" Petra asked me. I hadn't. "Then be careful — it's bound to be more than you've taken before," she smiled at me, "but I think your pussy will be ready for it!"

My hands were shaking as I buckled the straps around my waist; when they were properly in position a final strap went between my legs, pushing the thick, stubby end of the dildo right up my cunt, a little thumb part putting unbelievably horny pressure on my clitty. I didn't even stop to think how I might look with the huge false cock sticking out in front of me: I just wanted Petra to have it right inside her.

"The easiest way is to sit down," Cleo told me, "so that Petra can straddle you. That way she can take the whole ten inches."

I sat on the huge sofa, with my legs dangling off, and held out my arms so that she could sit astride me. When her tongue slipped into my mouth and she started kissing me fiercely I almost lost my concentration, but Petra was obviously an expert at this, because I felt her hand move down and guide the dildo inside her hot, wet cunt.

It was almost as if I was a man fucking her with that false cock, as I was in total control of the movements. Her nipples rubbed against mine as she drove her hips up and down, managing to squeeze another inch of the huge dildo inside her dripping snatch with every stroke.

Finally the dildo had penetrated her all the way, and her clitty was rubbing against my pussy mound while ten inches of hard false cock was inside her. She moaned in my ear, "It's so big inside me — it's stretching my cunt — I'm going to come soon..."

Suddenly I knew I wanted to fuck her hard as she came. Ignoring her protests I pulled her off the dildo, and turned her round so she was on her hands and knees, her face buried in the sofa cushions, her lovely bottom high in the air. I positioned the head of the dildo at her pussy lips and slowly drove into her with one long, powerful stroke.

"Oh fuck, I'm going to come!" she groaned. "Fuck me hard while I come!"

That was it: I fucked her little pussy hard while she screamed and writhed in ecstasy, wriggling her bottom from side to side to increase the friction in her cunt. I looked around and saw Cleo and Rachel wanking as they watched us, their legs wide open, their hands rubbing their pussies and pinching their nipples. That sight, and the pressure of the dildo on my clit and in my pussy, was all too much: covered in a sheen of sweat, I came with a yell as I gripped Petra's hips and drove into her pussy harder than ever.

Petra was still moaning and shaking when I came back to earth, the big dildo still half inside her pussy. The other two were kissing me and fingering my tits. "That was the horniest show I've seen for a long time," said Cleo. "And now you've got both our pussies wet, you bad girl. You punishment is to get fucked just like you've fucked Petra. Come upstairs to bed and we'll show you what we mean..."

By the time we stopped that evening my pussy was sore, but I'd come at least nine times and I thought I was in sex heaven! When I come home from college now I spend a lot of time next door, and my parents still have no idea what's going on. Petra, Cleo and Rachel have taught me a whole load of things that even a college education couldn't prepare me for! — *Wendy, Malvern* ♣

COURTROOM VICTORY SELLOUT

Our London warehouse is bursting at the seams with thousands of Continental Climax magazines recently won back by us in one of the biggest Courtroom battles of the decade. All of these are very highly explicit colour magazines which we want to pass on to our customers at vastly reduced prices to celebrate our victory. We thought that we would never see this consignment of mags again, because they are, by far, the strongest content ever to go into the Courtroom, let alone be won back on a technicality. We won — so we want you to win by sharing in our triumph with wholesale explicit colour mags at never to be repeated prices.

Guaranteed the hardest you've ever seen.

FIONA WRIGHT INVESTIGATES EUROPE'S HOTTEST UNCERTIFICATED VIDEOS

THIS week I have personally been watching the hottest, horniest videos I've ever seen in my life—what a week!

And it's all thanks to the bowler hat brigade in Brussels. 1992 is here and the import barriers are down just in time.

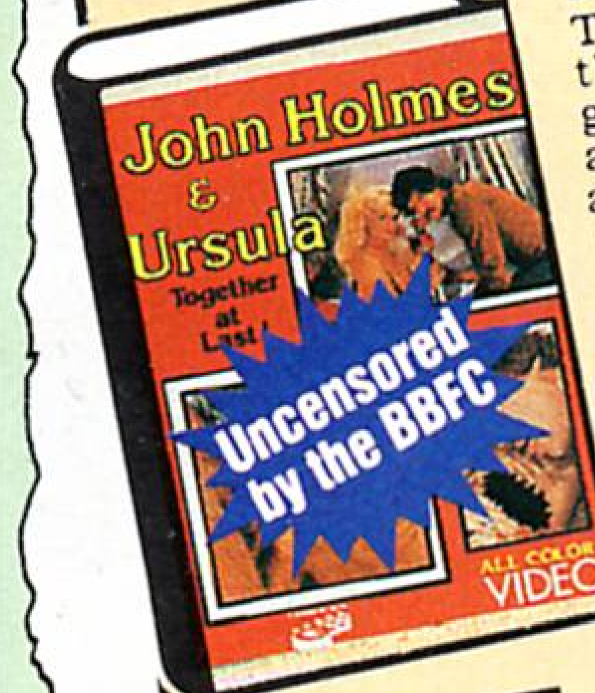
I have been able to get hold of sixteen, yes sixteen, **uncut uncertificated** films of highest quality from **Scandinavia** and can offer them to you at a fraction of what they should cost.

To get around import restrictions I've had to offer these very special films in pairs and sets of four but this will also reduce transport and handling costs so they come to you **even cheaper!** Order your copies of the hardest most explicit **uncertified** videos at unbeatable prices

WARNING: The following videos are uncertified, imported from USA/Europe. They are totally uncensored, hardcore explicit videos not for sale through any outlet in the UK. These are NOT similar to anything else on the market, they are truely hardcore and completely UNCENSORED by the BBFC. The hardest videos available in the UK. You have been warned.

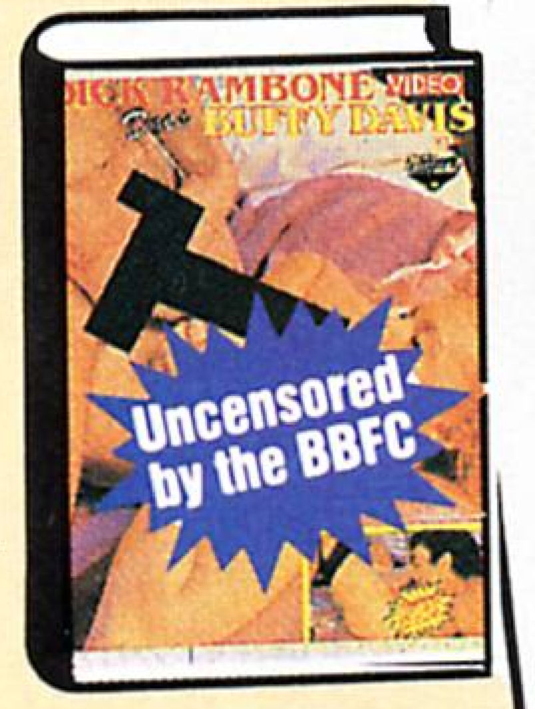
SET ONE x 4

Mid-1992 prices will be £59.00 each —SPECIAL OFFER — ALL 4 ONLY £19.95.



John Holmes and Ursula

THE man with the biggest XXXX in the business uses his ten inches to great effect—Ursula takes it from every angle in this **uncut** special. Every sex act imaginable, all in graphic detail.



Exciting

ANOTHER classic previously only available on the continent. Full of the best XXX penetration I remember. A sensational uniform lesbian scene. We're talking hot, hot action.

Dick Rambone Does Buffy Davis

AND he does!! Big buxom Buffy is "done" in every conceivable position with Dick's XXXXX XXX (Censored) with a terrific two XXXXX. Finishes with a terrific two XXXXX. Good close-up on one scene. Good close-up and penetration shots.

EXCITING

SEKA
special
ADULT VIDEO
Uncensored by the BBFC

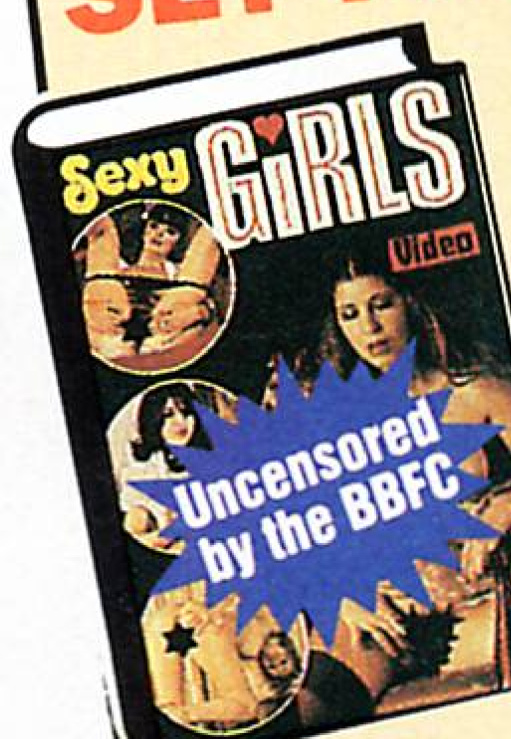
Seka Special

PROBABLY the most explicit film I've been lucky enough to see. Superb oral action. An excellent porno nurse scene and a memorable orgy. Seka is incredible. This really should not be missed.

This set of four will sell individually for around £59.00 each, but they can be yours for just £19.95—THAT'S RIGHT £19.95 FOR ALL 4 NOT £19.95 EACH.

SET TWO x 4

Mid-1992 prices will be £59.00 each —SPECIAL OFFER — ALL 4 ONLY £19.95.



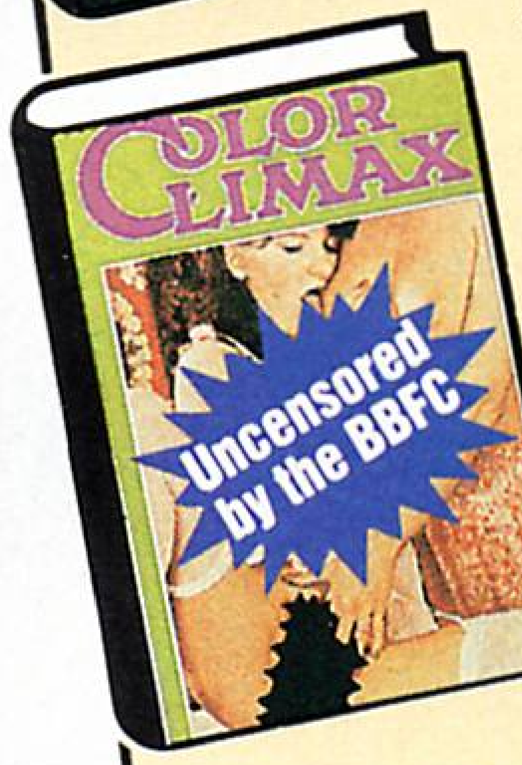
Sexy Girls

PACKED with well-built sexy girls and a variety of household implements plus XXXXX XXX and a very large selection of very large XXXXXX. This was my favourite—and I made sure I kept a copy.

BLUE SCREW
KINKY ORGASM CLOSEUPS FROM THE HOTTEST BLACK STOCKINGED TEASERS IN DENMARK!
ADULT ONLY VIDEO
Uncensored by the BBFC

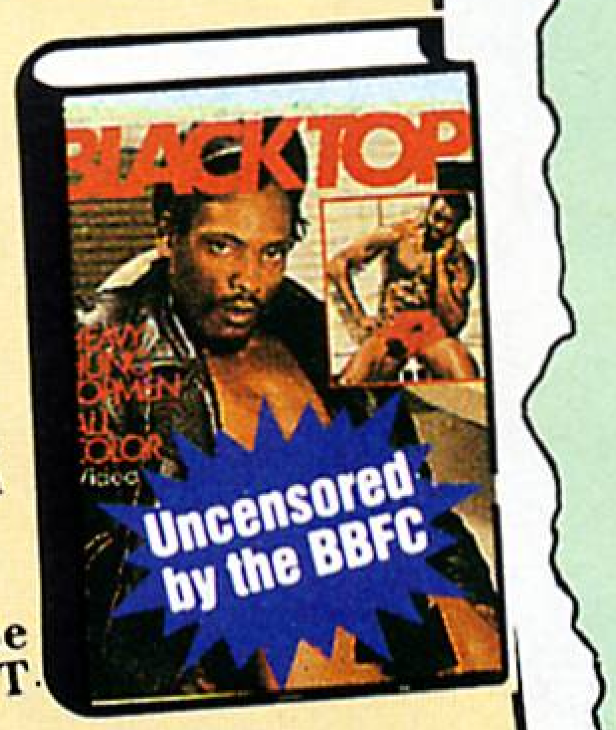
Color Climax 125

EXACTLY what you would expect from this classic Scandinavian title. Excellent XXXXX action and hot lesbian scenes. One of my boyfriends favourites—I got a night to remember!



Blue Screw

THE best group and lesbian action I've ever seen. Full penetration, orgasm and XXXXXXXX. This film is guaranteed to bring you instant sexual relief. The three girl lesbian orgy is a classic.



Black Top

A SPECIAL for gays, and girls who like their man big. This is a hot all male film with more muscle than I've seen before. I loved it.

This set of four will sell individually for around £59.00 each, but they can be yours for just £19.95—THAT'S RIGHT. £19.95 FOR ALL 4 NOT £19.95 EACH.

MISBEHAVING

MISBEHAVING

She's rich, beautiful and a raging nympho and it's watching her being shafted by three studs together that finally drives her husband out. After this, she takes any man she can, at anytime. The real climax comes when she realises just how 'big' her black manservant really is.

SEX AND THE MARRIED WOMAN

SEX AND THE MARRIED WOMAN

Being married gives the whole day to indulge in her favourite pastime — sex. Watch her being screwed by the local stud, fingered by the old gent along the road and masturbating when she can't find a man. It's explosive raw sex.

SUZIE SUPERSTAR

SUZIE SUPERSTAR

She is a sex superstar. She screws regularly with her Manager, picks up younger studs in the clubs, two or three at a time, but what she likes best is picking up young girls and getting right inside their soft yielding bodies.

kelly

Photographs by Harry Linden

Kelly's been on holiday in Tenerife for the last three weeks, and as you can see, the languages student from Carlisle possesses the finest pair of tanned tits we've ever had the pleasure to see in the middle of April!

"I spent most of the day on the beach," reveals Kelly. "But I'm a bit of a shy girl at heart, and I didn't have the nerve to go topless until the fourth or fifth

day — after that I'd wished I'd done it from the moment I got off the plane!

"The locals seemed to like it too. I don't think they'd seen a pair as big as mine — they'd actually stop and stare in the street!".

And what about the bottom half, Kelly?

"Oh, they came off alright!" laughs the 21-year-old excitedly, "but only in the hotel bedroom, if you get my drift!"

We do, Kelly, we do! ♣

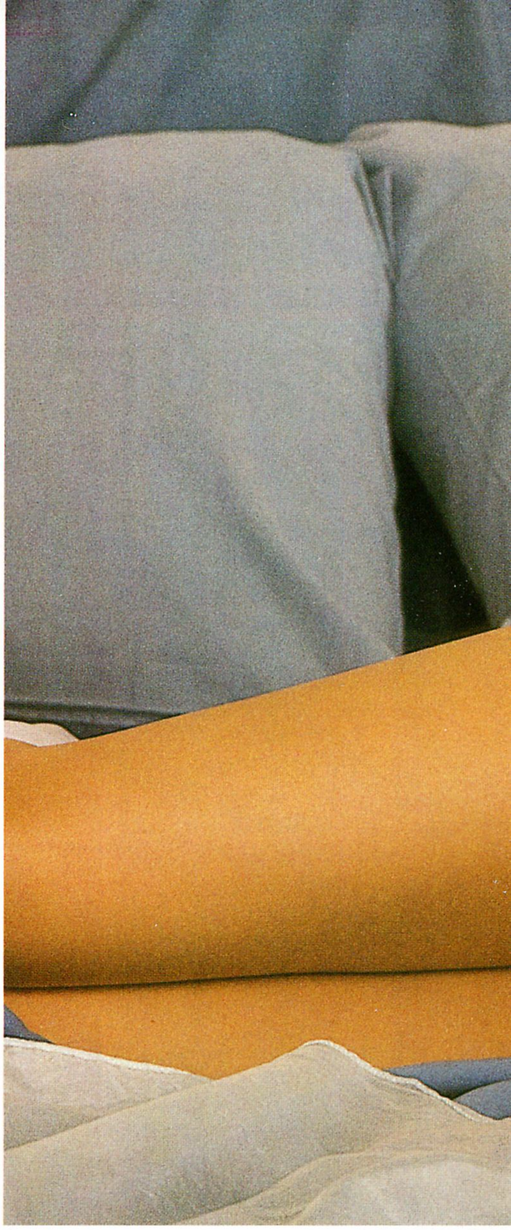
Photographs by Scott Evans



"My hair is definitely my best feature," claims 19-year-old Alexis, wrapping a couple of silken strands around her finger. But Alexis, we here you cry — what about that lovely bum, those pert tits, and that cute little pussy?

"Sure, but I have to keep them

covered in public," giggles the naughty hairdresser from Belfast. "But if a guy compliments my hair, I can tell him all about some very wicked things I'd like to do to him with it! And I can tell him that when he gets my knickers off, he'll find my

pubes are the same colour. I've never met a guy who could resist the thought of finding out for himself!"

Hair enough, Alexis! ♣

with my hands against a tree trunk so he could slide into me from behind. His cock felt so hard and so satisfying after my hours of frustration that I came almost at once, and the sensation of my pussy muscles gripping around his prick encouraged him to pump even faster, until he filled me up with his load of hot cream.

We parted without another word, and as I drove home with his spunk trickling out of me onto the car seat I wondered what he would tell his friends — and whether they'd believe him! Now I'm planning some even more outrageous exhibitionist adventures! — *Karen, Liverpool*

Pussy Treat

I've been going out with Lucy for three years, and she always finds new ways to surprise me — but I've just experienced the best yet!

I'm studying for my degree, and lately I've been working flat out. I called Lucy on Friday night, and she told me to get a good night's sleep, and then call around the next evening. When she opened the door, dressed in a figure-hugging black dress and with a wicked look on her face, I knew she had something special in store.

She led me into the bedroom, and what I saw stopped me dead in my tracks. Lying on the bed, wearing nothing but black silk stockings and suspenders, was the most gorgeous strawberry blonde I'd ever seen. "Let's see if your cock is as good as Lucy claims," she said, smiling sexily.

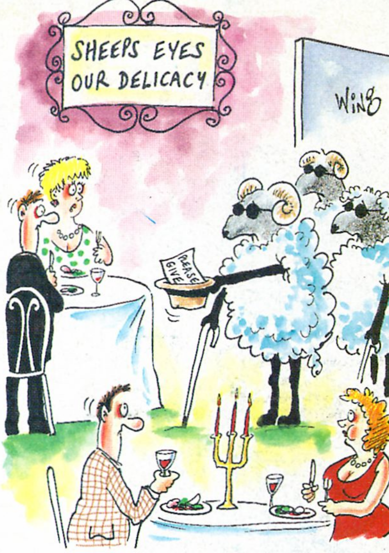
I didn't need to be asked twice, and in seconds I was naked and the girl's mouth was clamped around my prick. Meanwhile Lucy had also stripped, and was fingering herself as she watched her friend work on me. Just as I was getting close to shooting my load, Lucy ordered the blonde to get on her hands and knees so I could fuck her from behind. Her cunt was wonderfully tight as I shafted her, pulling right out on each stroke so my girlfriend could see everything.

The girl began to yell, "Fuck me faster, I'm coming!" and as her pussy muscles clenched around my cock I started to fuck her hard and fast, until I filled her up with my spunk.

"Now for the best part!" Lucy said, as she buried her head between the blonde's thighs and licked out the combination of love juices.

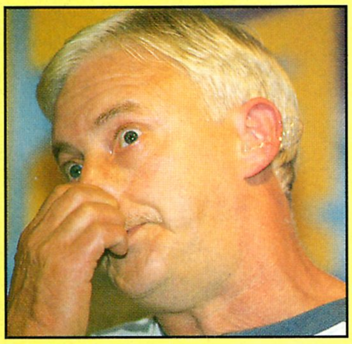
The blonde writhed on the bed as Lucy's tongue searched out the deepest parts of her snatch and I knew that if Lucy was as good at licking pussy as she was at sucking cock, the girl was having the time of her life! Pretty soon my cock was hard again, and I pushed it up Lucy's tight cunt as she licked out her friend. This time I shot my load all over the two girls as they moved into a horny 69, licking and sucking each other like crazy.

Later Lucy introduced Annabelle and I properly, and the three of us spent the week together. Needless to say I didn't get much work done — Annabelle's pussy proved much more interesting! — *Robert, Oxford* ♣



NUTTER'S CORNER

Well well, what's going on ear then? We at Club have always been enthusiasts for totally useless talents — Rockin' Ricky Guy can wiggle his ears, and the Editor can shake his eyeballs, though he can't edit — so when we saw the extraordinary abilities of Club snapper Jack Harrison, we knew we had to share them with our readers. For, as you can see, Jack can blow bubbles out of his ears!



"Being able to blow bubbles out of your ears can actually come in very handy," remarks Jack. "Though I must admit that right now I can't think how."

If you can blow bubbles out of your ears, take a photograph of yourself doing it and send it to *Angling Times*, Bretton Court, Bretton, Peterborough, Cambridgeshire PE3 8DZ. You never know, they might be interested. But they'll probably just throw it away. ♣
